PROTECTION FOR YOUR FAMILY

What if you weren’t there to hold your child’s hand on their wedding day? Would your spouse be able to make ends meet, let alone afford their special day, should you pass too soon?

The Trendsetter Super can help protect your loved ones in the time of an unexpected death or terminal illness. It can help pay for major expenses such as, a mortgage, college tuition, or even a wedding—many of life’s biggest moments.

PROTECTION FOR YOUR BUSINESS

Imagine what would happen to your business if you or another key employee were to pass away. Often, businesses may not think about the risk associated with the loss of key individuals within their company.

The Trendsetter Super can be helpful during the most difficult of times. It can help your business stay afloat.

THE TRENDSETTER SUPER IS HERE FOR YOU

The Trendsetter Super provides the flexibility to have a policy with a face amount of $25,000 to $10 million and up in coverage, and allows up to $99,999 without the need for a medical exam. Keep in mind, the issuance of the policy may depend upon the answers to the health questions on the application.

Plus, your premium is guaranteed to remain the same throughout the entire initial term period—choose from 10, 15, 20, 25, or 30 years. And at the end of the term period, you may be able to convert the policy to permanent life insurance without having to undergo an additional medical exam.

That’s what the Trendsetter Super is all about, customization to fit your lifestyle with different coverage amounts, term periods, and optional add-ons.
